Form must be signed in order to be accepted. By skipping your loan payment, you authorize My Credit Union to defer your monthly loan payment and a \$35 fee for using the Skip-A-Payment program will be collected as part of the deferred payment. Finance charges will continue to accrue on your unpaid balance. The Skip-A-Payment program will extend the final loan payment for each Skip-A-Payment granted on the loan. Using the Skip-A-Payment program does not change the original terms or your legal obligation to My Credit Union.

Mortgages, Home Equity, and Credit Cards are not eligible for the Skip-A-Payment program.

For qualified members. Member account must be in good standing to take advantage of this offer. The credit union reserves the right to determine if prior or subsequent action may disqualify your loan. Skips cannot be consecutive and new loans cannot have the first payment skipped.

If you purchase a GAP policy for total collateral damage, then skipping payments may affect the amount the GAP policy would pay due to extending payments beyond the original loan & GAP contract.
